

# PROJECT LIST

Premium Live and Artificial Landscaping

[www.cultivateuae.com](http://www.cultivateuae.com)

The image shows the entrance to a shopping center named 'CHINATOWN' (唐人街). The entrance is framed by a large, ornate circular archway. Inside the arch, a glass door leads into the mall. Above the door, the name 'CHINATOWN' is written in English, and '唐人街' is written in Chinese. The building's facade is made of a grid of square panels with a complex, geometric pattern. Two large, leafy trees in white pots stand on either side of the entrance. In the foreground, there are several black stanchions with a red rope barrier. The overall scene is brightly lit, suggesting daytime.
