

Chairmate 智美

Spark

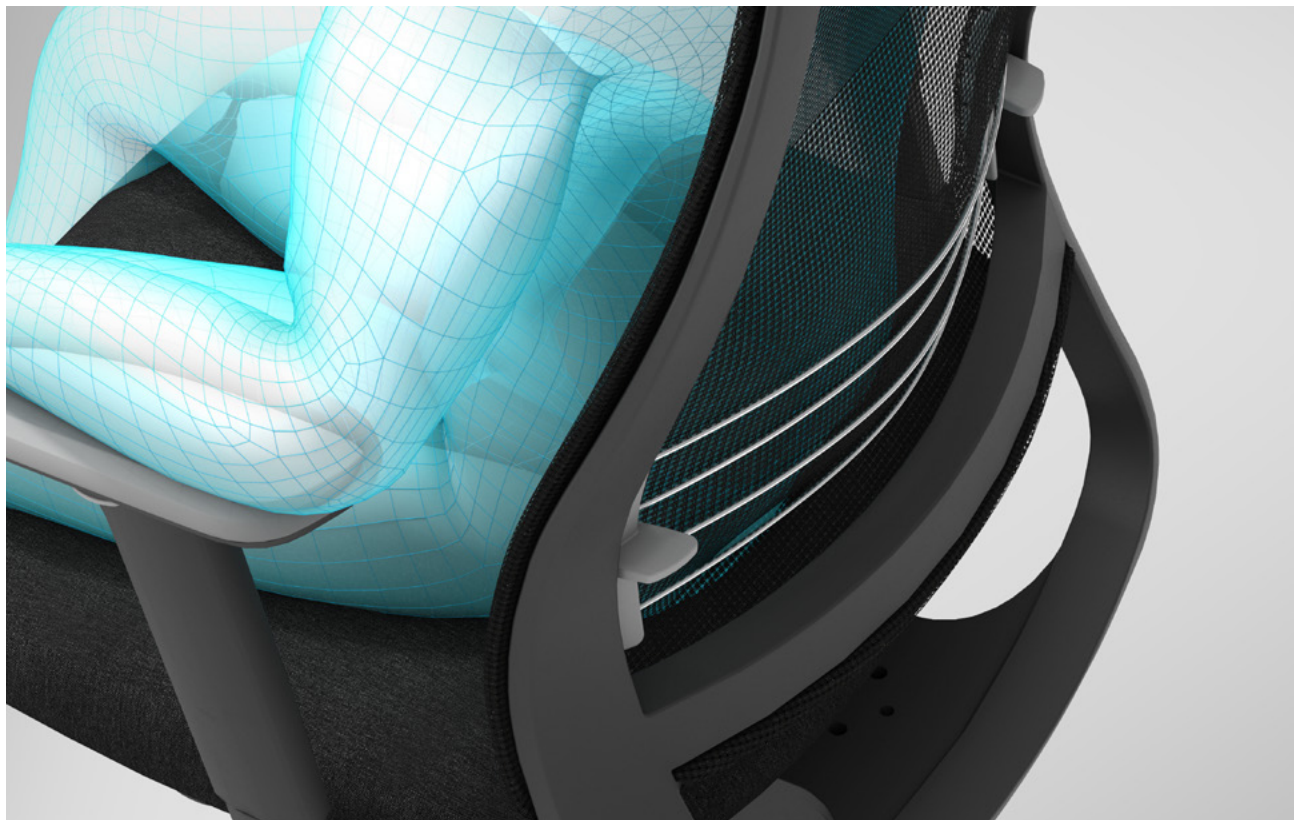

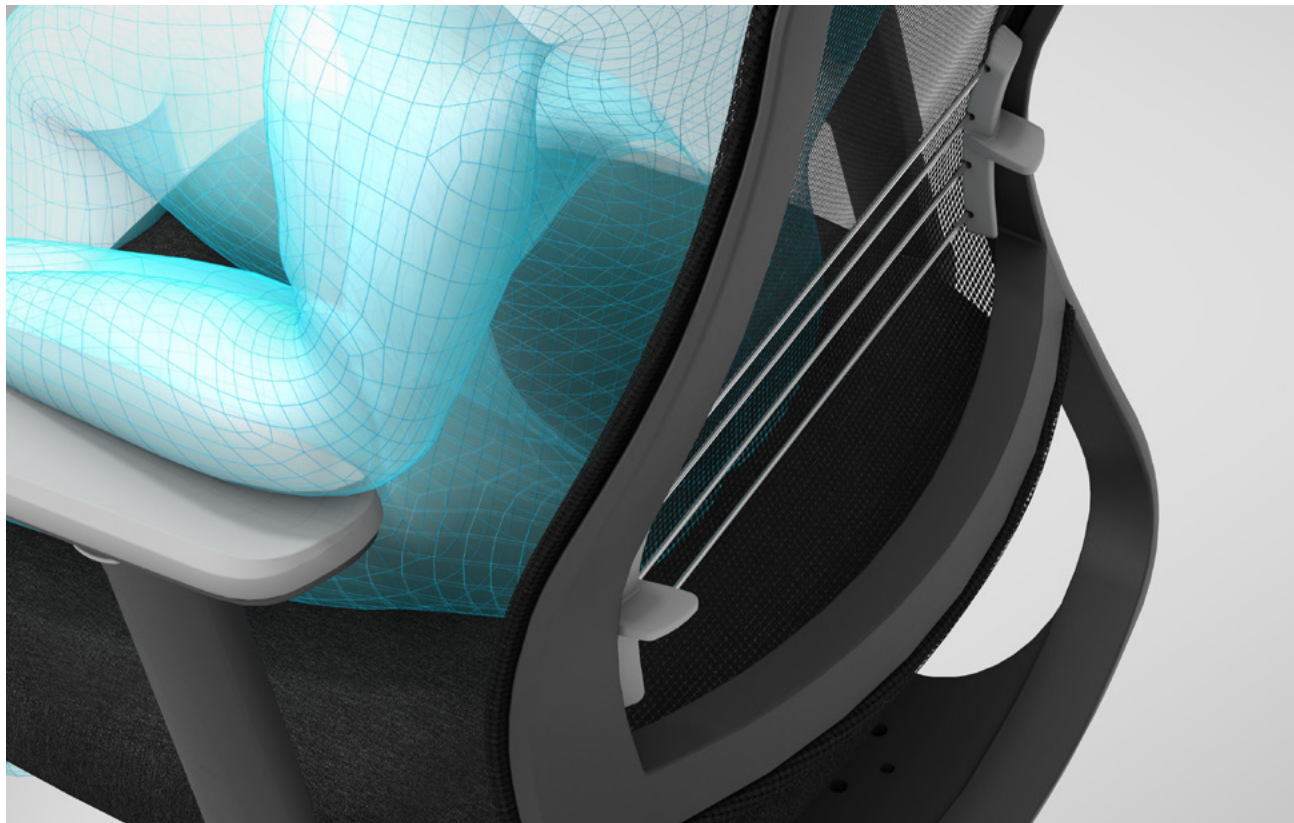

Healthy & Stylish Design

The slim and graceful curved backrest of the Spark office chair not only exudes elegance but also effectively supports the weight of the waist, providing a comfortable sitting experience.

Spark_

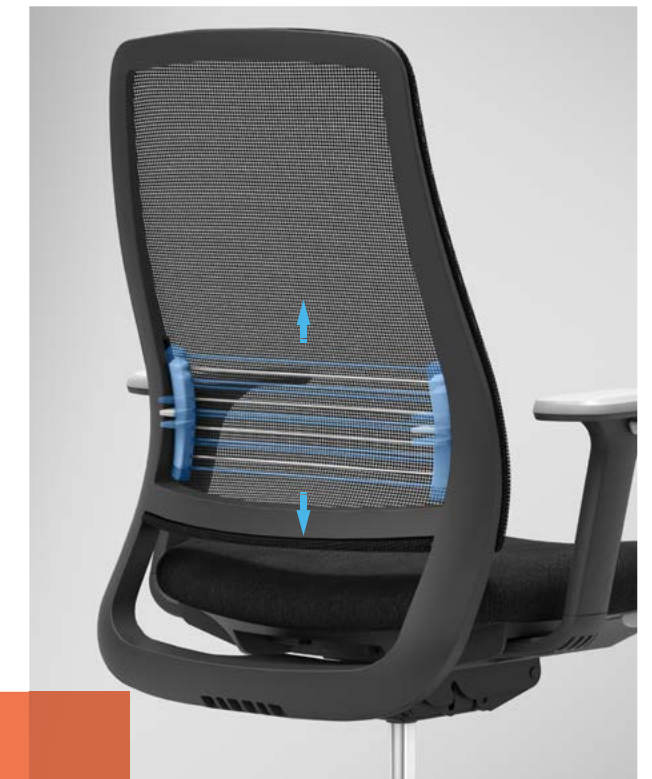

Simple And Handy

Cable control buttons replace the traditional bulky handles which look more simple, which could be adjust the seat depth, seat height and tilting lock.

Perfect Lumbar Support

Better Offers Comfortable Support

The lumbar composed of four highly resilient steel wires, offers comfortable support regardless of whether you're working or taking a break. The adjustable height of the lumbar pillow caters to individuals of different heights. The hollow-out design at the bottom of the backrest adds flexibility and lightness to the chair.

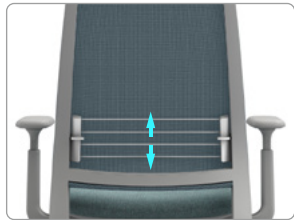

Trendy & Versatile

The simple and modern design of the Spark chair perfectly complements modern offices. With a two plastic colors and various fabric color options, it can blend seamlessly into offices of different color schemes.
